

**4130 CHROME MOLY  
5/16" SWEDGED END PUSHRODS  
.120" WALL**

- ✓ Thicker wall for less deflection
- ✓ Better valvetrain stability in high RPM applications
- ✓ Meticulously formed ends with exact radii
- ✓ Excellent concentricity, closely controlled length
- ✓ Heat treated and black oxide finished

Part No.	Length
25234-16	7.750"
25235-16	7.800"
25236-16	7.850"
25237-16	7.900"
25238-16	7.950"
25239-16	8.000"

**4130 CHROME MOLY  
3/8" SWEDGED END PUSHRODS  
.120" WALL**

- ✓ Thicker wall for less deflection
- ✓ Better valvetrain stability in high RPM applications
- ✓ Meticulously formed ends with exact radii
- ✓ Excellent concentricity, closely controlled length
- ✓ Heat treated and black oxide finished
